

Guardforce

Guardforce Mobile Safe Service

A pioneering security solution to guard your treasures

Asia's trusted security partner

Guardforce is the trusted security partner for banks, major corporations and retailers relied upon for daily door-to-door cash and valuables collection and delivery, security storage and customised security solutions. Established in 1977, we are the market leader in security with impeccable track record.

Guardforce Mobile Safe Service

Guardforce extends its professional security service to individual and trade customers who demand absolute safety for valuables storage and complete flexibility to access their invaluable assets. Your assigned personal safe will be kept under guard in our state-of-the-art fortified vault at all times. Whenever you need to access your safe, you can have it delivered to you by our executive security professionals anytime round-the-clock, or use our designated viewing room in total privacy.

Incomparable benefits

CONVENIENT | PRIVILEGED | SECURE

- Access to your personal safe at your schedule, round-the-clock throughout the year
- Door-to-door dispatch of your safe to your specified locations by our executive security professionals, or private use of our designated viewing room for accessing your safe
- Versatile box sizes able to accommodate a combination of items
- Dedicated customer service and dispatch teams catering to individual needs
- Comprehensive insurance options providing enhanced protection
- Personally tailored user packages with short-term or long-term options
- All customers are accorded the strictest confidentiality and privacy
- The safes are kept under guard in our international-standard fortified vault
- Experienced professionals and security equipment at your service
- Closely monitored processes with high-security protocol to reinforce secure dispatch of mobile safe

Exclusive insurance option

Guardforce has arranged “Personal Jewellery All Risks” insurance coverage for Mobile Safe content at preferential premium, available as an option only to Guardforce Mobile Safe Service customers. The coverage applies when the stored jewellery are used in Hong Kong and overseas by the safe’s owner or immediate family members.

Other Services

Valuables In Transit

Guardforce takes charge of the security details of delivering your valuables door to door to specified locations in Hong Kong, Macau and China for your business or personal needs. Insurance coverage is offered for the valuables in Guardforce's care.

Other Services

Electronic Security

Guardforce's expert security advisors tailor design optimal electronic security solutions for residences, business premises, exhibition venues and other client specified locations, deploying applicable innovations in CCTV surveillance, alarm systems and other security installations following on-site assessments.
